

To my valued patients,

For personal and family reasons, Dr. Tara Gostovich will be leaving Brick Pediatric Dentistry and Orthodontics at the end of February. She has been an integral part of this office for over 17 years and a trusted partner to me since I started here. She has always added a superb level of professionalism to the practice and was a tremendous part of the gold standard of service that we strive to provide. I wish her nothing but success, luck, and happiness in the next chapter of her life.

After a broad search and meeting many possible replacements, Dr. Tara and I are confident that we have found someone who can fill her shoes and continue to provide the same exemplary service and quality orthodontics to which you are accustomed. Dr. Vincent LaBruna will be taking over all of our current orthodontic cases moving forward, and, of course, beginning any new ones in the future. I am excited to build new relationships and look forward to a seamless transition.

Please meet Dr. Vincent LaBruna:

Dr. LaBruna is a graduate of NYU and NYU Dental school. He completed his Orthodontics training at Columbia University. He is very well-rounded, as he has also spent time training in numerous other disciplines including a post graduate program in Endodontics and a Dental Externship at Memorial Sloan Kettering specializing in oral cancer. He spent over 10 years as Director of Oral Medicine and Oral and Maxillofacial Surgery at Cabrini Medical Center and was an Honorary Police Surgeon with the NYPD. He has also provided years of dental service for the US military.

Dr. LaBruna is a member of the American Association of Orthodontics, the Northeastern Society of Orthodontics, The American Dental Association, and the New Jersey Dental Association. Most importantly, Dr. LaBruna is a Board Certified Orthodontist with the American Board of Orthodontics for over 15 years and was in private practice in Manhattan for almost 20 years before selling his practice and moving back, with his wife Lore, to his hometown in Monmouth/Ocean County. Dr. LaBruna has two grown daughters, one of whom is in Dental School and the other who is a Certified Public Accountant.

I am confident that when you meet Dr. LaBruna, you will feel comfortable and secure in the knowledge that your children remain in excellent hands. I know you will be pleased with him and will extend him the same courtesy and loyalty that you have shown to Dr. Tara and myself. Nothing is more important to me than knowing that my practice and I can continue to provide you with the best possible dental care in the same friendly environment as always.

Once again, as ever, I thank you for the confidence and trust you place in me and it is my honor and privilege to be able to serve you.

Please feel free to call the office with any questions or concerns.

Sincerely,

Dr. Seymour "Sey" Semah
